**Fusion.** It joins the environmentally progressive thinking of web hosting pioneer AISO with the power of VMware, and the energy-efficient IBM BladeCenter® servers powered by nearly 700 AMD Opteron™ processors.

It all results in a revolutionary 100% solar-powered data center, providing sustainable web hosting for AISO clients worldwide. To learn more about the power of Fusion at work, home, and play, visit [fusion.amd.com](http://fusion.amd.com)
